We should have the previously done answers somewhere? I will ask for everything that we have done before as opposed to redoing stuff

Hi

Another "hair on fire" request. Too bad is out because she probably already has answers to these from other contexts.

Ex. 6 Personal Privacy (PP) now but will be in later.

I think that proposed answer to number 3 is fine.

Ex. 6 Personal Privacy (PP) —

Ex. 6 Personal Privacy (PP) asked that we draft a few backpacket q&as for the new chemicals release (now scheduled for Monday), and that they be both “short and in plain English” – which is, of course, always a difficult ask for these sorts of things. I know Ex. 6 Personal Privacy (PP) is out for the long weekend, so am reaching out directly to you both for assistance.

Here are those questions and some draft language/staff notes that you can keep if helpful, or fully discard:
